

2010 - 2011 GIRL SCOUT PROGRAMS

Mobile Art: *I come to you! No need to travel!*

JUNIORS

Art in 3D Badge

Make 5 projects including an origami project, a "past" masters reproduction, a piece of art that represents local culture, learn about clay molds, and a wire sculpture. Learn what it means to when something is 3-dimensional. (req. #1,2,3,6,7,10)

Folk Art Badge

Make 5 projects including a wooden toy, a fleece scarf (a folk art project from the present day), create a troop scrapbook, learn an art form that was traditional 75 years ago and make a project from another country that is traditional there. (req. #2,5,6,7,8,9)

Jeweler Badge

Make 5 projects including a memory wire bracelet, a bottle cap resin necklace, a small ring box, handmade beads, learn about your birthstones and make a jewelry project to give to a special friend. (req. #1,6,7,8,9,10)

Prints & Graphics Badge

Make 5 projects including a bookmark using unique rubbings, a mini scrapbook, produce a picture frame using creative stenciling, make your own rubber stamp and use it to make a card. Learn about henna body art with the option of doing it yourself. (req. #1,2,4,6,7,9)

Ceramics & Clay Badge

Make 5 projects covering all areas of handbuilt pottery including: coil, pinch, slab and combinations. Learn about figurines. Learn about finishing techniques for your fired ceramic pieces. This is NOT a molded ceramic lesson, we will be using both white and terra cotta fired clay to make 5 projects. (req. #1,2,3,4,5,6)

***See Advanced Pottery & Advanced Jewelry workshop information on next page**

TIME

All requirements for the above badges will be covered in the approximately 1 1/2 hour – 2 hour session at your location. All supplies will be provided. Badges are not included in the cost of the workshops.

2010 - 2011 GIRL SCOUT PROGRAMS

Mobile Art: *I come to you! No need to travel!*

JUNIORS

Advanced Pottery

Option 1: This workshop is for those girls who have completed the Ceramics & Clay badge and want to learn more about pottery. In this workshop we will work on combining techniques: pinch with coil, slab with pinch or coil. We will also work with decorative glazes and the use of underglazes on pre-fired objects. *This is a handbuilding pottery workshop and part of the mobile lessons.*

Option 2: This workshop is for those girls who have completed the Ceramics & Clay badge or have some clay experience in school. In this class we will be working on a potters wheel and working with decorative glazes and underglazes on prefired pieces. ***This class is NOT a mobile lesson. It is open to a maximum number of six girls at one time.*** A portion of the time each girl will work on the wheel and a portion of the time working with the glazes. The workshop will be held at my home in Superior Township just outside of Canton.

Advanced Jewelry

This workshop goes beyond the basics- girls will learn to use head pins, findings and other jeweler tools. It is designed to go beyond the basics of stringing beads. We will also explore the use of resin in jewelry making. Girls will make a scrabble tile necklace, simple earrings (substitution available), cell phone/backpack dangler, and a Makin' clay charm. Project sheets will be available for projects that are not completed in the class.
